Chaos, confusion and mass hysteria.
The order of the new world pounding its fist.
Reigning in blood, they lay you to rest.
Heed the words of my Father, who is I Am.
No love, no hope to give you a home.

Weeping and gnashing of teeth.
You thirst but there is no end.
Weeping and gnashing of teeth.
You scream but there is no end.
There is no end.

The world shares a common death.
You wish, you wish, you wish to take another breath.
Do what you want, it's what you're told.
The choices of a dead end road.

No one gets out alive.
No one gets out alive.
No one gets out alive.
No one gets out alive.
