Featuring Jesse Barnett & Tommy Green

Life and death, no regrets.
Life and death, no regrets.
Life and death, no regrets.

We overcome, second to no one.
Death at your door, won't be ignored.
Hell knows your name, life lived in vain.
No second chance, no second chance.
Life's final glance, life's final glance.
Straight is the gate and narrow is the way.
My soul longs for truth.
The truth I seek in you.
My soul longs for truth.
The truth I seek in you.
Rise up!
Peace, life, in death I see.
I can't deny reality.
Peace, life, in death I see.
I can't deny reality.

Hope for the hopeless.
Peace to the restless.
Rise to your feet.

Once was blind, now I see.
Heart was black, now redeemed.
Once was blind, now I see.
Life and death, I stand in victory.
We rise! To victory!
We rise! To victory!
We rise! To victory!
We rise! To victory!
