"Undefeated"

I walk on the righteous path, I stand in the arms of
truth.

Firm through the storms, I will never be the same.

I walk on the righteous path, I stand in the arms of
truth.

Firm through the storms, I will never be the same.

Take a look at my life I am renewed.

My flesh will rest in hope, the darkness brought to light.

Undefeated, we are complete.

Undefeated, we prevail.

Bust.

Undefeated, we are complete.

Undefeated, we prevail.

Killing my mind and killing myself.

Somehow this should've all worked out.

Don't forfeit your heart, no matter what the cost.

Though defeat may be near and the outcome's not
clear.

Now is the state of mind I'm in, state of mind.

Time after time I always win, always win.

Now is the state of mind I'm in, state of mind.

Time after time I always win.

True shepherds who prove selfless,

Only aim to aid the helpless.

Loss for words, breath taken away.

Still my soul hungers to be free.

I lean not on my own understanding.

I stand sustained in this truth.
