See the darkness... Through the light..
Endless pain... Eternal.. Nights.
All the souls surrounding
Piercing eyes.. Staring faces.
Breathing dead air...

Jaraxle still holds the claims of god
Soul swirls in a mist of blood
Cast out from the kingdom of the sun
Now descends upon a darker one

Behold the laws of this lost cause
Trace back to when they all went so wrong
People standing, watching, staring
See the world as it dies Right before their eyes

Jaraxle still holds the claims of god
Soul swirls in a mist of blood
Cast out from the kingdom of the sun
Now descends upon a darker one
His children gather at the time he was slain
Power they hold. That no gods claim.

Some may survive... Wasted, tortured lives
Rest shall burn... For the end that we deserve.
