Left for dead
Again I lie in searing darkness
Pain sears through the mind
Revenge, I have the power to rise again.
Now I collect my mind
I face my war, prepare my soul for the... Trial

I may go to hell
For the way I'm going to murder you
All my life I'll know
You had to fucking go there too.

THIS TIME I'LL KNOW I'LL FUCKING WIN!!!

Now I stand alone
This Path of hate
I see the one
Who lead me to death.

I orchestrate your dying scene
Fate forever in my control
I hold the air for your last breath.
Body in my hands, I grant the only death.

Left for dead
Again I lie in searing darkness
Pain sears through the mind
Revenge, I have the power to rise again.
