Disintegrated--His Will--Burdened by life
You got caught!
The problems you make for yourself keep repeating
And you find yourself caught in that trap
You're ready to start the cycle again
You'll do it all the same again
Never going to change your ways
Never change
Got Caught
Disintegrated--His Will--Burdened by life
Little did I know, I'm wrong again
Turned out, not the way I'd expect
And to be told, I'm wrong before I began
Come crashing down with the usual effect.
Did anybody tell me to live this way
I want to fail, fail as I see fit
And when it all comes crumbling down
Crashing down, with the usual
