I'm so damn numb  
Nothing else matters  
I'm miserable  
Yet so invincible

I lost my innocence so long ago  
Held on to the things that I should've let go  
I wanna wake up on the other side  
So I can see the world through clearer eyes

This can't be right!

I'll fight til the bitter end  
(Fight til the end)  
Take my life back again  
(Fight til the end)  
I'll fight til the bitter end  
(Fight til the end)  
Take my life, take my life  
Take my life back from me

I'm laying low  
Up on my cloud  
Turned to ignorance so long ago  
Dying to remember what I used to know

This can't be right!

I'll fight til the bitter end  
(Fight til the end)  
Take my life back again  
(Fight til the end)  
I'll fight til the bitter end  
(Fight til the end)  
Take my life, take my life  
Take my life back from me

I know where this road ends but I can't stop  
Speeding, exceeding all the limits that my hearts been  
given  
I know where this road ends and I need to stop  
I'm pleading, I'm screaming

Don't want to be another wound left bleeding

I'll fight til the bitter end

(Fight til the end)

Take my life back again

(Fight til the end)

I'll fight til the bitter end

(Fight til the end)

Take my life, take my life

Take my life back from me.
