Have you ever felt this way before?
(Felt this way)
Pushed to be someone you don't know
(I don't know)

I've never felt this way before
(Felt this way)
Pushed to be someone I don't know

People telling lies all the time
(Another part of this pointless game)
I don't wanna be part of your lie

Give me a chance and you'll know
(Who I wanna be)
Give me a chance to figure it out
(Who I am)

I've told you what I have to say
(I've told you)
You never listened and you pushed me away

People telling lies all the time
(Another part of this pointless game)
I don't wanna be part of your lie

Give me a chance and you'll know
(Who I wanna be)
Give me a chance to figure it out
(Who I am)

Give me a chance and you'll know
(Who I wanna be)
Give me a chance to figure it out
(Who I am)

(Now)
Just give me my life back
(So)
I'm taking it back now
(No)
You never will take me in vain

I've told you what I have to say
(I've told you)
You never listened and you pushed me away

Give me a chance and you'll know
(Who I wanna be)
Give me a chance to figure it out
(Who I am)

Give me a chance and you'll know
(Who I wanna be)
Give me a chance to figure it out
(Who I am)
