I'm addicted
So infected
You reel me in and then never release me
I only feel alive, when I'm with you

And I would never get enough
(your love is always on my mind)
Your love is just another drug
Wooaaah-oh
(and I couldn't get enough)
(yeah-eah)

I'm dependent
So damn helpless
I never thought that I would dig my own grave
I only feel alive, inside of you

And I would never get enough
(your love is always on my mind)
Your love is just another drug
Wooaaah-oh
And I would never get enough
Your love is always on my mind

If there was one thing I could change
It'd be the way I feel for you.
If there was one thing I could change
It'd be the way I feel for you.

I only feel alive, when I'm with you

No, I would never get enough
(your love is always on my mind)
Your love is just another drug
Wooaaah-oh
And I would never get enough
Your love is always on my mind

I know it seems, I stopped this way,
I dont know how I make it through each day.

No, your love is just another drug.

Yeah-eah-yeaaaah!
