[Gabriel solo]

I like to live my life on the edge

No one can stop me, no!

Now it's too late

Never thinking twice about what I do

I'm like a savage animal on the loose

Live fast, oh you gotta die young [3x]

[Alex solo]

I live my life, don't wanna waste no time

I don't need no rules, all I touch is mine

Never thinking twice about what I do

I'm like a savage animal on the loose

Live fast, oh you gotta die young [3x]

[Gabriel solo]

Rippin' and shreddin' at speeds faster than Hell

No one's gonna stop me now, not even time will tell

Crashin' through the walls of time

Explosions from below, no ones gonna stop this ride

The doors of time will blow

Live fast, oh you gotta die young [3x]

Live fast (fast) oh you gotta die young [3x]
