I Really Need A Little Time To Breathe
So Slow Down Don't Rush
It's Really Not As Simple As You Think
Don't Rush Something Like This
Lets Take It Easy
Yeah

We Don't Know Where We Stand Tomorrow
And If All These Things We Feel Will Fade, Fade Away
Though This Feels Different, I Don't Know How Sure I
am
I Need To Take A Second Cause I'm Starting To Wonder

Where Will We Be Five Years From Now?
What Will This Mean Five Years From Now?

I Really Need A Little Time To Breathe
So Slow Down Don't Rush
It's Really Not As Simple As You Think
Don't Rush Something Like This
Lets Take It Easy
Yeah

Life Is A Gamble, So Enjoy What you Have
I Live In The Moment Cause I Don't Want To Worry
About Tomorrow, oh oh oh oh, We're Only Here Once

Where Will We Be Five Years From Now?
What Will This Mean Five Years From Now?

I Really Need A Little Time To Breathe
So Slow Down Don't Rush
It's Really Not As Simple As You Think
Don't Rush Something Like This
Lets Take It Easy
Yeah

Speeding Through Me Please Slow Down
We Have A Lifetime,
To Fulfill Our Dreams To Meet Our Goals
Please Slow Down, Please Slow Down
Take It Easy, Take It Easy

You're Pushing Me Away, Yeah
You're Pushing Me Away, Yeah
Cause I Don't Need To Rush And I Don't Need A Mess

I Really Need A Little Time To Breathe
So Slow Down Don't Rush
(Don't Rush, Don't Rush)
Don't Rush

I Really Need A Little Time To Breathe
So Slow Down Don't Rush
It's Really Not As Simple As You Think
Don't Rush Something Like This
Lets Take It Easy, Yeah, Yeah
