"Lottery"

Some people stuck on struggle
Have to fight for what they are
Suffer through a day to day job
That only gets them half as far
Some use it to get closer
To fulfilling their lifes dream
Some lazily just sit back
And attempt to win at the lottery
I'm going to try my luck and see
What that reveals
I never tried my best so
I don't know how that feels
Couldn't it be
Or would you ever believe
How I would live so free
If I were to win at the lottery
You can't compare an effortless gamble
With a consistent valiant try
It's like buying a ticket and when you lose
You sit and wonder why the next problem for
You to deal with
What does the future hold for you
You don't know how to do anything
Never learned never needed to
