I tell you all, the things you wanna hear
You ramble on about how I am that
FIRE!

So after all this time
You're still so blind
Thought I was yours
You must have gone and lost your mind
I took it all there's nothing left
That you're showing me where you're weakest
You're so naive

I tell you all the things you wanna hear
You ramble on about how I'm that fire
But if you know, how far this is from real
You walk away knowing I'm that
FIRE!

Nothing's changed another days has gone
Full of lies, I only told what you want
You've hit the wall and I can tell
Cause your giving in to your weakness

You're so naive
You're so naive.

I tell you all the things you wanna hear
You ramble on about I'm that fire
But if you knew

You walk away knowing I'm that
FIRE!
FIRE!

-solo-

I tell you all the things you wanna hear
You ramble on about I'm that

I tell you all the things you wanna hear
You ramble on about how I'm that fire
But if you know, how far this is from real

You walk away knowing I'm that

I tell you all the things you wanna hear
You ramble on about how I'm that fire
But if you know, how far this is from real
You walk away knowing I'm that
FIRE!
