"I Know"

Visit "[I Know](#)" on MotoLyrics.com

I feel you so near me

I love your face

I love your mind

I feel you inside me

I feel your breath

I feel your touch

I give you myself girl

I give you my mind

And all my life

I give you the sky girl

I give you the sea

And all the stars

I don't know

If you will stay or go

You baby

Take my heart and my love

Yes I know

For me you'll never go

You stay don't go

I know, I know

With me forever
