dear ma
i think you might find it hard to believe
but i think i've finally found a home
the weather is loveley there's so much to see
and people who know what i know
_chorus
now i've got friends that do want me
and take me as i am
now i've got friends that do love me
i'm all right with them
fitting in with the misfitts
living in the lost and found
and i will never be afraid
for lost dogs don't know where they're bound

—

dear ma
i know this is hard for ya too
but some things are better off said
i've always found it so hard to adjust
i'd rather stay in bed
_chorus
don't know where they're bound
i don't know where i'm bound
fitting in with the misfitts
living in the lost and found
fitting in with the misfitts
living in the lost and found
