Hello cruel world  
So this is you  
A broken heart  
A withered view  
I'm looking out to face  
Anther day  
The angry mob  
The happy mass  
This birthday cake  
May be the last  
I'm looking out to find  
Another way  
Norman rock well colors fade  
All my favorite things have changed  
Hello cruel world  
I thought I heard  
An opera star  
Who had no home  
Under the stars  
She sang and sang  
And sang the night away  
And mother nature changed her name  
She doesn't want to play the game  
I don't believe she'll ever be the same  
So big brother never came  
Howdy-doodie gets the blame  
But what the hell  
Hello cruel world  
Fat and beautiful and strange  
Monkeys dancing in a cage  
But what the hell  
Hello cruel world  
Venus de Milo grew an arm  
And old McDonald bought the farm  
Say goodbye  
Hello cruel world  
Norman Rockwell colors fade  
All my favorite things have changed  
But what the hell  
Hello cruel world  
Fat and beautiful and strange  
Monkeys dancing in a cage

But what the hell  
Hello cruel world  
Say goodbye  
But what the hell  
Hello cruel world  
Hello hello  
Hello cruel world
