I wanna see paris insane on the sine
i wanna do that bull run thin in spain
i wanna go to england and walk down penny lany

half a pint an island wash away my pain

_chorus

i'm stuck in mud
spinning my wheels
and i'm all alone
on the road
to nowheresville

—
i wanna meet a little girl
with french horn lips
and introduce her to my trip
i'll make her smile on the nile
hold her hand in japan
but last things first for all my plans

_chorus

i'm on my way
i'm almost nowhere
i'm almost everything i swore i'd never be
when i get there
then i'll go somewhere
i'm going to pay my last respects and get
the hell out of there
out of nowhere

_chorus

spinning my wheels
and i'm all alone on the road to nowheresville
nowheresville
nowheresville
