E/Parthenon Huxley)  
Tarot cards  
Said I'm already dead  
Crystal ball  
Fell down onto my head  
Tenderness  
If I want it I pay  
My true love  
Well she threw it away  
CHORUS  
But I can shine it all on  
I can shine it all on  
I can shine it all on  
And still be amazed  
Had some money  
And a hole in my pocket  
Had a house  
But I forgot to lock it  
Took a drag  
>From a smoke that may kill me  
What a drag  
How the winter wind chills me  
CHORUS  
I'll shine it on just like MacBeth  
In the face of certain death  
Of a salesman or a king  
And when the palm trees are on fire  
I'll take my boat out on the sea  
Had a face  
But I never could save it  
Hada kid  
But I never would name it  
Have a life  
Well, that's what they call it  
It's a road  
But I guess I could crawl it  
CHORUS
