(E)

Tomorrow I'll be nine
AND everything will be the same
Tomorrow I'll be nine
It's only gonna be another day
THEY're always looking at me funny
I'm always doing something wrong
I'm thinkin' they'd be better off if I was gone
Tomorrow I'll be nine
And everything will be the same
Tomorrow I'll be nine
It's only gonna be another day
They never tell me what they're thinking
They're always busy being mad
I start to thinkin'

Could it be 'cause I am bad?
Oh I'll go
Where I can't hear them
Oh I'll go
Away
There's got to be someone who wants me
There's got to be someone who cares
Don't know where they are
But I am going there
Tomorrow I'll be nine
And everything will be the same
Tomorrow I'll be nine
I think it's time to make my getaway
