I'll call you

If I need you

My heart's on fire

You come to me

Come to me wild and wired

you come to me

Give me everything I need

Give me a lifetime of promises

and a world of dreams

Speak the language of love

like you know what it means

You can't be wrong

Take my heart and make it strong

You're simply the best

Better than all the rest

Better than anyone

Anyone I ever met

I'm stuck on your heart

I hang on every word you say

Tear us apart

Baby, I would rather be dead

In your heart

I see the stars

Every night and everyday

In your eyes

I get lost

I get washed away

Just as long as I'm here in your arms

I could be in no other place

You're simply the best

Better than all the rest

Better than anyone

Anyone I ever met

I'm stuck on your heart

I hang on every word you say

Tear us apart

Baby, I would rather be dead

Each time you leave me I start losing control

You're walking away with my heart and my soul

I could feel you even when I'm alone

Oh baby, never go

Simply the best

Better than all the rest

Better than anyone

Anyone I ever met

I'm stuck on your heart

I hang on every word you say

Tear us apart

Baby, I would rather be dead

Oh, you're the best
