Everyday, all day all we do is get our grind on  
From sun up to sun down get our grind on  
Tryna bust it wide open and build up my clank  
Send a hit at these niggas so we could be the jank  
You now how it is want everything for myself  
Want every nigga scorin for me nobody else  
Imma dog it ain't not secret i want it all  
Tha coke, dope, hoes and tha fancy cars  
Tha game is cold but it's fair nigga  
Can't trust no man 'cause a nigga don't care nigga  
Nigga will do anything just to be tha man wit all tha  
work  
Kidnap yo wife and yo daughter erase you off tha earth  
Them niggas cut throats this shit is real 'causeen  
Better know tha game 'cause if you don't you get killed  
'causeen  
Be ready to take a nigga to war behinds yours  
Spark when it get dark and leave brains on the curve

Why you blockin us  
Baller Blockin us  
You niggas can keep tryin  
Ain't no stoppin us

[Baby]

Niggas baller blockin so they lettin off shots  
Tha feds came thru can't stop tha clock  
Then why a nigga up tryna close my shop  
Lovely came thru in a Bentley drop  
Tha cadillac truck we painted then got hot  
Still runnin thru them hallways tote'n a glock  
Word got around Curly tryna close my shop  
Tha mail man down bad he can grab tha glock  
Tell tha stupid hoe shut up she bouts to get popped  
Tha cameras out and them lights is on  
Them feds com'n thru and they gettin it on  
So we duck and hide, supply and ride  
Big party goin down wit Big Wood tonite  
So we cocked tha glocks  
'cause tha beef is rock

Niggas shootin out windows instead of head shots  
Believe that playboy

I know I need to stop but I'm solja so fuck it  
Besides I'm responsible fo supplin tha public  
My daddy got shot so I'm holdin it down  
Outline, out of bounds puttin four in a clown  
Bitch answer when I call make me know you got my  
change  
Is it explodin in yo brain, do you think I'm playin games  
See that's why lil niggas like u get murder over 'caine  
Put yo self in a spot where u won't be working again  
I ain't gone let yo partners from yo block confuse ya  
You broke 'em off a package and they tryna misuse ya  
Now tell 'em who got assed out you and me too huh  
And Bubba want his money so I gotta kill you now  
And all these muthafuckin laws tryna take mines  
I ain't wit that bullshit two at tha same time  
Fuck I might at well give tha dope game up  
But Beatrice said he got a fresh package that came up
