[Chorus]:

I ain't never been fake
Everything I say about you
I say it to your face
I'm laced

(E-40)

[Verse 2]:

If you can't cook stay out the kitchen
If you cain't swim get out the ocean
Don't hop in the yola game if you're soft as Jergens
lotion
Believe half of what you see
and none of what you hear
Analyze that fool before you let him get in your ear
Sleep with one eye opened
and one eye closed
in case the thirsty and dusty trying to kick in your door

[Chorus]
