### **"I'm On One"**

(You're on/ You're on/ You're on/ You're on)

*[Chorus:]*

I'm on: One, One, One, One, One [4X]

I'm on like a pot/ I cook up  
I got the hook up  
A slap makes the demons look up  
I got em' shook up

...

Yayo college is what I took up  
Northern cali fo ya my nizzle  
put up or shut up

Homeboy loaded like a shot gun  
Smokin' like a chimney  
Higher  
than the trees in Yosemite  
Twisted like a pretzel  
Drinkin cranberry and cognac  
Stay afloat keep my head above sea level

So much hate in my region  
So much stress in my brain  
Hey a rapper ain't eatin'  
So he needs someone to blame

So they blame it on ya boy  
Cause I got the biggest mouth  
Light it up and have a chain  
See the soul train

Step your bar game up  
Practice your penmanship  
Stop the claiming and making excuses  
Nigga make a hit

Just the other day I heard a fuck nigga say  
Funny y'all with him but Vallejo ain't in the bay  
I said that's some hard shit a nigga like you would say

Cause' it's haters like your washed up ass that's in the way

Ugh. Tycoon diamonds  
glimmin like the sun  
I'm in a fucked up mood  
And a nigga on one

*[Chorus]*

Smokin' on smelly  
Yappin on my celly

Hustlin'  
Getting' Money is a habit  
Always getting dusty  
Always in the traffic

Out of town out of state  
Doing shows makin' cake

Spitin
