(We in this thang breh!)

[Chorus]:

(We in this thang breh) We in this thang breh

[x8]

(E-40:)

[Verse 1]:

E-40!

Uhhh

A half-animal block baboon (a monster)

The valedictorian of the yola game

graduated with high honors

Used to serve and push that candy cane

standing in front of my momma's

House, now I'm leaning over the rail and standing on

top of the couch

Wash my face with a brand new hundred dollar bill

I don't see no rangs, so you ain't got no man

(What about yo mackin man?) Ain't no lackin in my

mackin

[Chorus]

(Let's go Turf!)

(Turf Talk)

[Verse 2]:

Polo, everything, they should endorse me

I swear - that should be my face on that horsey

Man I might be the hardest we got

And yeah I'm a get this money regardless or not

(Yeah!) We in this thang breh - if it's funky, get it on

We get in this thang breh - reactin! (Reactin)

Ten chains, guess who wearing 'em? (Wearing 'em)

Ten guns, guess who carry nem! (Carry nem)

[Chorus]

(Mistah F.A.B.)

[Verse 3]:

The club, yeah, ayyy, grinding!

Pull up to the club, on my iPhone tweetin

Came up to me looking all strange

Talkin 'bout "family you changed"

My brother Fresh AI got that look like don't mess with

potnah

I'm swagged up, big horsey on my shirt!

I'm turnin P.I.'s to heckler hoe protectors

Better look down, cause if I see eyes, girl I'm fin' to
check her
Went all through her purse like Frank Gore for the first
Mistah F.A.B. and 40 only ones left from the movement
[Chorus]
