Ooh, pencil me in
It's Fonzarelli the Ballatician in yo' face again
Back again, happenin' with my folks and next of kin
Asians, Blacks and Mexicans, Caucasian folks and all
my friends

Lost on gin, count to ten, fits to turtle, hold it in
Northern Cali, scrilla gone Valley, California fools'll do
ya
Like this song? Sing along, 40 Water man you know he
wrong
In the traffic, Mayne on the phone, bright candy on all
that chrome

Shoes and socks, Jacob watch, CD changer with the
knock
Cock Glock back stack, leave yo' head off in yo' lap
Mark mark sip sap, you ain't gotta like the way
This pimp spit this rap, I don't like you anyway

It's a man's game, stay up out the lane
If you can't hang with the gang bang
Players pimps and hustlers from the sewer pipes and
gutter drains
Players pushin' Mary Jane, gorillas in the mix of thangs
Boss unleashin' off the chain

It's a man's game, stay up out the lane
If you can't hang with the gang bang
Players pimps and hustlers from the sewer pipes and
gutter drains
Players pushin' Mary Jane, gorillas in the mix of thangs
Boss unleashin' off the chain

I was in my Chevy blunted doin' about a hundred
Dippin' through my hood but the hood lookin' haunted
Task musta raided, I hope my homies made it
I hope they got some yo-yo left, I hope they didn't
confiscate it

I hope nobody got shot to death, I hope nobody
bleedin'

I hope they didn't come through dumpin'
With they street-sweepers sweepin'
Put to rest, layin' in the mortuary in there sleepin'
Put a hole in the flesh, formaldehyde to stop the place
from stinkin'

Drinkin' vodka, [Incomprehensible] coppin' mo', Keys
than Alicia
From Yakama all the way to Canada, they think I'm a
janitor
Man of the hour, devour I'm mo' ready with some sour
Slippin' sticky, dowicky, smokin' turtle with my partners
chillin'

It's a man's game, stay up out the lane
If you can't hang with the gang bang
Players pimps and hustlers from the sewer pipes and
gutter drains
Players pushin' Mary Jane, gorillas in the mix of thangs
Boss unleashin' off the chain

It's a man's game, stay up out the lane
If you can't hang with the gang bang
Players pimps and hustlers from the sewer pipes and
gutter drains
Players pushin' Mary Jane, gorillas in the mix of thangs
Boss unleashin' off the chain

Ecstasy, dirty piss test test
'Cause he got five different drugs up inside of he
Can't get a J-O-B, nobody wanna hire he
Ex-con, parole with a felony

Some of my dudes be smokin' cloves
Some of my dudes be powderin' they nose
Some of my dudes be off that kangaroo
Some of my dudes be drunk like me and you

Some of my dudes be off that nave
That's that shit them city boys done fucked around and
made
Some of my dudes be off that lean
That prescription, that syrup, that codeine

It's a man's game, stay up out the lane
If you can't hang with the gang bang
Players pimps and hustlers from the sewer pipes and
gutter drains
Players pushin' Mary Jane, gorillas in the mix of thangs
Boss unleashin' off the chain

It's a man's game, stay up out the lane
If you can't hang with the gang bang
Players pimps and hustlers from the sewer pipes and
gutter drains
Players pushin' Mary Jane, gorillas in the mix of thangs
Boss unleashin' off the chain

It's a man's game
It's a man's game
It's a man's game
It's a man's game

It's a man's game
It's a man's game player
It's a man's game, ooh
