The definition of Quarterbackin'
E-40 and the Clipse, yeah

Tell the cops don't read into it
Them days of slangin' yay been finished
Them days have been done ended
So far gone them days that I'm offended
Snitches can't speak my name till they get winded
Can't you tell there's been a switch made?
Now fellas decide that they wanna run and tell like in
the fifth grade
But I'm too gone, young'n be clear
Even when you see me, I am not really there

And I ain't play fair wit' my eye on the enemy
Huggin' the block just me and my mini-me
Did it and lived it, grinded here
Cops fillin' wit' my projects find it yeah
Not only was I in the game, I was gifted in it
Served food to the fiends and we called 'em dinners
Put the raw wit' the fake out, mixed it in it
Can't explain the cat's hustle, guess it just was in, it's
malicious

If you got the turf crackin' and ya money's stackin', ya
Quaterbackin', Quarterbackin'
Leader of the squad and you're the team captain
Ya Quaterbackin', Quarterbackin'
Gotta little change and ya drivin' a range
Ya Quaterbackin', Quarterbackin'
If ya sound system bangs, and ya pushin' them thangs
Ya Quaterbackin', Quarterbackin'

Might not know what I'm talkin' about
If you ain't never lived it, or seen it, or done it
Seen fiends vomit, green stuff I had to clean it up wit'
comet
Mean stuff, so many deaths my streets is haunted
Believe us, you shoulda seen us, like Wile E. Coyote,
man super genius
Against all odds like Serena and Venus
I only had a couple jobs in my life, but not too many

thought I was grown

Who woulda thought I'd sell my skill for a microphone
And be rappin' about it up in the song, slidin' on some
chrome

It's long money I earn, I'm bald headed
But I used to have a Lord Jesus perm
When my name was Earl before the rap game
Runnin' from secret squirrel, I had my own thang
Raised by wolves, hyenas, and barracudas, gorillas
and bulls

If you got the turf crackin' and ya money's stackin', ya
Quarterbackin', Quarterbackin'
Leader of the squad and you're the team captain
Ya Quarterbackin', Quarterbackin'
Gotta little change and ya drivin' a range
Ya Quarterbackin', Quarterbackin'
If ya sound system bangs, and ya pushin' them thangs
Ya Quarterbackin', Quarterbackin', Quarterback

I play the field like Vick, from endzone to endzone
Serve that ish like snowcones in the hood
Entrenched in the gutter, I was lost in the good
'Cuz I make the gat stutta like a old G should
Mamas lookin', so much snookin'
Nights in the kitchen thought I'd never finish cookin'
Way before pay for this that I'm mouthin'
Nineteen years young, upward of eighty thousand

Trust me young'n Pusha was never browsin' for nothin'
Wection eight housin'
I'm stompin' thru like King Kong claimin' his home, his
jungle
Mumblers beware the hood hates singers
I connect, block the corner like Jenga, fall never, you
seen 'em
Posted in the hood leanin' fiends like the Tower of Pisa
Damn he's good

If you got the turf crackin' and ya money's stackin', ya
Quarterbackin', Quarterbackin'
Leader of the squad and you're the team captain
Ya Quarterbackin', Quarterbackin'
Gotta little change and ya drivin' a range
Ya Quarterbackin', Quarterbackin'
If ya sound system bangs, and ya pushin' them thangs
Ya Quarterbackin', Quarterbackin'

If you got the turf crackin' and ya money's stackin', ya
Quarterbackin', Quarterbackin'

Leader of the squad and you're the team captain
Ya Quarterbackin', Quarterbackin'
Gotta little change and ya drivin' a range
Ya Quarterbackin', Quarterbackin'
If ya sound system bangs, and ya pushin' them thangs
Ya Quarterbackin', Quarterbackin'

Now of course you know I ain't talkin' about sports
I'm talkin' about runnin' some shit
I'm talkin' about workestratin' and illustratin'
Glorifyin' ya paper route, whether it serve it to, uh
Gettin' out there hustlin', grittin' and grindin'
Doin' ya thug-thizzlemajiggadale

Quarterbackin' man, hustlin' main
Trust that main, yeah, in real life main
Some call it pitchin', some call it grindin'
We call it Quarterbackin'
Yeah, and I ain't talkin' about sports
Trust that

The Quarterback
The Quarterback
The Quarterback
The Quarterback
The Quarterback
The Quarterback
