She smashed the homie, she smashed a homie
And I don't know if I should keep her
She smashed the hommie, she smashed a homie
And I don't know, I don't know
What arms were smashed?
I guess fast, fast meaning hotbox with the freaky little
ass
They say you lay up with dogs then you're gonna wake
up with fleas
I'm surprised that when I was goosing her I ended up
with a disease, bitch please
â€¦ cow, you ran through my cook more mouse than jet
blues
If I would have know that she was gonna be out there
like this
What would of happen?
I wanna put your naÃ¯ve ass on a â€¦
You could have been my â€¦ bitch, â€¦ bitch ?
My HB, we could of got rich instead of you giving it up
for free, free
We could of got rid if he was gonna be giving them
niggers hair
We could of got paid if you would be opening up your
legs
Now you're broke and lonely cause you smashed a
homie
I can't be seen with you, you got a bad rep
Would you mind wanna do is go somewhere where
they learn you â€¦ bitch
She smashed the homie, she smashed a homie
And I don't know if I should keep her
She smashed the hommie, she smashed a homie
And I don't know, I don't know
Maybe trying to act like she ain't even know me though
I knew her though you are â€¦, I've seen you with the
homies though
But I ain't gonna blow up your â€¦ and know ya,
Not gonna hit my â€¦ so take it easy, kick back and
mingle
Socialize antagonize, this the single, one chip at a time
like a â€¦

A lil' here in the beer that's the jimbo
Rain check you know how we play or highlights makes
you wanna replay
She say she never did it but you know she's gonna get
it
You think she wouldn't â€¦ it so I put it up anything I've
been it
It gave it to my nephew, he did what he had to
After it was over, she smiled and said I'm glad you
Had the time of your life and you can get this every
night,
Is that right? Damn
She smashed the homie, she smashed a homie
And I don't know if I should keep her
She smashed the hommie, she smashed a homie
And I don't know, I don't know
Look here man, what's that?
You know I know all about these chicks out here man
They try to act like they don't know I know but I do know
And you do know
If you been to one of my parties, you might aswell say
early
I mean, real early, cause if I catch you, it's too late
You understand what I'm saying?
Tell'em man, it is what it is man,
Now, we run this here, man
Yeah we do
Maybe I'm for real talk, you might aswell just go there
and tell the truth
If you smashed a homie let it be known
Alright, that's real conversation my fellow
Man you can't turn a whore into a housewife
A lot of these niggers trying to turn these whores into
housewives, man
You understand me, they â€¦ â€¦
IF a bitch smashed a homie, who you gonna check? The
bitch or the homie?
She smashed the homie, she smashed a homie
And I don't know if I should keep her
She smashed the hommie, she smashed a homie
And I don't know, I don't know
