[feat. J. Stalin, DecadeZ & Lil Jon]

[Hook: DecadeZ]

When I walk up in the club

I stay suit up

Got my strap up on my hip

Waiting for someone to trip

They say I need to slow it down

(Uhh! Before something reach and I can't)

They say I need to slow it down

(Uhh! But I'm used to going hard in the paint)

They say I need to slow it down (slow it down)

Slow it down

They say I need to slow it down (slow it down)

Slow it down

[Verse 1: E-40]

Freshly fitted and kidded nevertheless

I get my gear and my kicks from Manny over at foot
express

I got a S on my chest for something

You got a N on your chest for nothing

I said it before and I'll probably say it again

We ain't in it too lose we in it to win

I still be drinking old school gin and getting tunned

Another word for pouted is wounded alcohol consume
it

Blah, still on the paper chase

Outside of the minus hustler he stay on the case

Heavy on the grind salute pay in a pillowcase

All the neighborhoods and they grandma know that I'm
a case

Turner on my waist, in case I gotta erase

Evaporate a hater for getting all in my face

Precipitate this potato for speaking all outta place

I live in the Bay but the mountain lions a space

BEITCH!

[Hook: DecadeZ]

[Verse 2: J Stalin]

Couple shots of Henny I'm so sick with it

She says she wanna livewire told her come and get it

As if I want it lil mama I'm a come and hit it

You fucking with a millionaire king of the city

I think I'm Rookie Johnston I think I'm Frank Nitti

And baby girl she aight but the money pretty
I keep a banger cause some niggas they trippin'
Acting like they never seen a nigga on a television
Niggas speaking in colls we call it bird talk
West so I'm reppin' I fuck the 40 and Turf Talk
Real Bay niggas, we get real money
We in the VIP so keep them bottles coming
I'm never throwing hundreds, but keep a bank roll
I'm too fly with a nigga wore...
That shawty keep a lick like a candle
I'm never too famous I still run a phantom
[Hook: DecadeZ]
[Talking: Lil Jon]
Aight niggas and nigheads we gotta slow this shit
down
For the real muthafuckin' playas in the house
It's ya boy Lil Jon talking to yo muthafuckin' ahh
Taking it back to the ole school
Now you know how we used to do
Nigga hit the slow it down with girls and squeeze real
tight on that booty
That's what your ass need to be doing right now fool

Speed it back up
Hey! Hey!
