[E-40]
Ooh. Jesus Christ had dreads, so shake em
I aint got none, but I'm planning on growing some
Imagine all the Hebrews going dumb
Dancing on top of chariots and turning tight ones
(eeerrrrr)
Ooh, tell me when to go (dumb)
Talking on my ghettro on the way to the store
... My 2nd or 3rd trip
Some Henny, some Swishers and some Listerine strips
Dr. Greenthumb lift, just to ease my thoughts
Not just the cops, but the homies you got to watch
The moon is full, look at the dark clouds
Sitting in my scrapper, watching Oakland go wild... Ta-
dow
I don't bump mainstream, I knock underground
All that other shit, sugar-coated and watered down
I'm from the Bay where we hyphy and go dumb
From the soil where them rappers be getting their lingo
from

[Keak Da Sneak] Tell me when to go...
[E-40] Tell me when to go...
[Keak Da Sneak] Tell me when to go...
[E-40] Tell me when to go...

[Keak Da Sneak]

Go dumb, dumb, dumb, dumb, dumb, dumb, dumb,
dumb

I'm off that 18 purple juice

... Like a mayne, labeled the Black Zeus

King of the super dooper hyphy (hyphy, hyphy, hyphy,
hyphy)

And your wife, she don't like me (like me, like me, like
me, like me)

From the Bay to the A

Put me in the back wood, Swisher sweet bud, go to the
store

Bitches wish I wrote, I said they couldn't be saved by
John Doe (John Doe)

I slid past on the gas, bitches looking at me

It's good, it's good like the granddaddy

Cross game, you get flipped like a burger patty

Or zig-zagged... pass me a big old fatty

... I drink white, with a SNOW bunny

Talking big shit in the scrapper, going hella dummy

1800, Jose Cuervo

Yaddadamean, yaddada I'm saying though
