Ladies and gentlemen  
You are now tuned in to the very best  
Of the finzy watchin' tenzy

You can't stop the boss like a runaway train  
You cannot stop me  
I'm on go and still in the game  
You cannot stop me

You can't stop the boss  
This ain't no red light district  
Green lights I fly by  
She say we look like pimpin'  
I say baby, you can't stop the boss

The definition of a boss, let me put you up on it  
B-O-S-S, bread over sucker shit  
Ain't too many left all the real ones done went away  
I'm built from a different brick, I'm carved from a  
different clay

Be careful what you wish, play the game for what it's  
worth  
'Cause bein' a boss can be a gift and a curse, uh  
Hope for the best but expect the worst  
They'd rather see you in a hearse than see you come in  
first

I'm getting' gouda my nigga, I'm havin' paper my fella  
Man, I get to it my nigga, man makin' revenue hella  
I'ma tell you like this, like Kenny Red said  
"I'm havin' everything that a king should have"

You can't stop the boss like a runaway train  
You cannot stop me  
I'm on go and still in the game  
You cannot stop me

You can't stop the boss  
This ain't no red light district  
Green lights I fly by  
She say we look like pimpin'

I say baby, you can't stop the boss

I sell a dream

I'm hella clean, this the life you wish fo'  
I'm comfortable, you can bump the flow  
Brains blew out, it's convertible

White walls, plush seats

I'm a boss at all costs, I must eat  
Vintage statute, grinnin' at you  
Gold ones, continue spinnin' at you

I'm a heavyweight, look at how I levitate  
And perpetuate the rate of the Golden State  
My cousin Earl knew I'ma set it straight  
And set a date and meditate and regulate

You can't stop the boss like a runaway train  
You cannot stop me  
I'm on go and still in the game  
You cannot stop me

You can't stop the boss

This ain't no red light district  
Green lights I fly by  
She say we look like pimpin'  
I say baby, you can't stop the boss

You can try

But you can't stop me, I'll be doin' alright  
Can't dilute 'cause I do it all night  
I've been rappin' on the mic my whole life

It's like I never stopped flowin'

I keep goin' like a river where it ends you never knowin'  
I don't even think about it, I'm a workaholic  
I date pretty young girls with perfect bodies

We bosses, gettin' head in the office

All I do is cash checks and take offers  
Ask Phalon, Calvin or Earl  
When you see me they be countin' the girls

You can't stop the boss like a runaway train

You cannot stop me  
I'm on go and still in the game  
You cannot stop me

You can't stop the boss

This ain't no red light district  
Green lights I fly by

She say we look like pimpin'  
I say baby, you can't stop the boss
