Last night I was
Takin' a walk along the river
And I saw him
Together with a young girl
And the look that he gave her
Made me shiver
Cause he always used to
Look at me that way
And I thought
Maybe I should walk
Right up to her and say
It's a game he
Likes to play
Repeat
Look into his angel eyes
One look and
You're hypnotized
He'll take your heart
And you must pay the price
Look into his angel eyes
You'll think you're
In paradise
And one day you'll
Find out he
Wears a disguise
Don't look too deep
Into those angel eyes
Sometimes when I'm lonely
I sit and think about him
And it hurts to remember
All the good times
When I thought
I could never live without him
And I wonder
Does it have to be the same
Every time
When I see him
Will it bring back
All the pain
How can I forget that name
