I am dancing slowly to the beat of your heart
Spanish lights are holy
There's a million dreams apart
Deep in your eyes I see the danger
Fall for you, bolero

Bolero... bolero...
I will love you, "te quiero"
Bolero... bolero...
Dance with me at the "fiesta" tonight
"Asi", the morning sunshine
Let me face bolero

I can hear you whisper sounds of joy and pain
I can feel the passion
It's the same from the old Spain
My soul is lost, lost in ilusions
I fall for you, bolero

Bolero... bolero...
I will love you, "te quiero"
Bolero... bolero...
Dance with me at the "fiesta" tonight
"Asi", the morning sunshine
Let me face bolero

Bolero... bolero...
I will love you, "te quiero"
Bolero... bolero...
Dance with me at the "fiesta" tonight
"Asi", the morning sunshine
Let me you face bolero

Bolero... ayayaya haaaya
