I feel the moon of Transylvania
Shining into my heart
I hear the sound of creatures in the dark
I feel the lightning of wildest mania
Striking through the night
Need your arm to hold me oh so tight

A dance with the vamps
Makes my blood freeze
Lost in my secret fantasies
Baby release me
Kiss me
I wanna feel the pain
A dance with the vamps
Sets my heart free
And burning crosses I can see
Baby please thrill me
Kill me
Make my heart go insane

I feel your lips so warm and tender
Kissing my fears away
I feel your hot blood mixing up with mine
I know youre real baby youre no pretender

And I want you to stay
Stay with me until the break of day

Dance with the vamps
Kiss me
Kill me
I wanna feel the pain
Dance with the vamps
Makes my blood freeze
Lost in my secret fantasies
Baby release me
Kiss me
I wanna feel the pain

A dance with the vamps
Sets my heart free
And burning crosses I can see

Baby please thrill me
Kill me
Make my heart go insane
