You close the door and you walk up to me
I know you know that i know what will be
Your kiss so soft and so cool and shy
But i feel the flames rise high

It's a dangerous kiss
A dangerous touch
I get too little and i feel too much
It's a dangerous kiss
More of this
A dangerous promise of the love i miss
It's a dangerous kiss

It's a dangerous kiss

Dangerous kiss

I'm in your arms looking into your eyes
You smile at me - it's like love in disguise
I feel so sure - baby you're the one
And i know there's more to come

It's a dangerous kiss
A dangerous touch
I get too little and i feel too much
It's a dangerous kiss
More of this
A dangerous promise of the love i miss
It's a dangerous kiss

It's a dangerous kiss
Dangerous kiss

You're close to me and still so far away
Baby please come and stay
And i hear your voice
Telling me it's good and it's true
I love you

It's a dangerous kiss
A dangerous touch
I get too little and i feel too much

It's a dangerous kiss
More of this
A dangerous promise of the love i miss

It's a dangerous kiss
A dangerous touch
I get too little and i feel too much
It's a dangerous kiss
More of this
A dangerous promise of the love i miss
It's a dangerous kiss

It's a dangerous kiss
Dangerous kiss

Dangerous kiss
It's a dangerous kiss
