She is so fine she's all mine she's the best I ever had
And Im glad Yeah Im glad When I get her into bed
One, two, three and four and five
Hey hey she's fighting for her life
Six, seven I can do it all night long
And it feels so good Tell me it is wrong
But she says she's so tired And she needs some time
off
Hey hey hey what do you think Dr Love

Oh calling Dr Love
Seven times a night don't you think that's enough ?
Calling Dr Love
he's in action but he gets no satisfaction
Calling Dr Love
He wants too much sex and he wants it so tough
So calling Dr Love
Please help me help me help me Dr Love

Dr Love Dr Love

Sex is good Sex is fun Baby here is number one
And I know what to do Baby here is number two
Number three number four Really hard core
Hey hey hey don't be a bore
Here comes number five If you're lucky you'll survive
And with number six you can do all your tricks
Seven makes you fly Like a little turtle dove
Hey hey hey what do you think Dr Love
