I'm doc, doc, Dr. Dick
And when you're feeling sick
Babe, I know a trick

It's sex, and it's sex, you'll be feelin' alright
Hey, let's have sex together and forever tonight
I'm your doc, doc, Dr. Dr. Dick
And I gonna heal you with my fabulous stick

So, undress, please, undress
But don't be a sleeper
I will touch you, I will touch you
Deeper

Come on, please help me Dr. Dick
I need your love, I feel so sick
I need a kick and you're so big
Oh doctor, please, deep, deep, deeper

Help me Dr. Dick
My fever's rising, please come quick
I know you know a little trick
Oh, doctor, please, deep, deep, deeper

Come on, help me, Dr. Dick
Come on, doctor, help me quick
Deeper

Come on, help me, Dr. Dick
Come on, doctor, help me quick
Deeper

I'm doc, doc, Dr. Dick
Oh baby, I can heal your nervous tick
So lay down, hey, lay down, I will check what is wrong
So, gather thrill technical, it moves you along

I'm your doc, doc, Dr. Dr. Dick
I can make you feel good
And you can make me big

And for sure, got a cure

'Cause you're not a peeper
I will touch you, I will touch you
Deeper

Come on, please help me Dr. Dick
I need your love, I feel so sick
I need a kick and you're so big
Oh doctor, please, deep, deep, deeper

Help me Dr. Dick
My fever's rising, please come quick
I know you know a little trick
Oh, doctor, please, deep, deep, deeper
