Oh, gimme ecstasy (gimme ecstasy, gimme ecstasy,
ecstasy)
Ahhh, ahhhh, ahhhh, ahhh
Oh, gimme ecstasy
Love, love, love's not enough
Normal way is gonna make you stay
I'll show you tonight what's good for you
And if you refuse it, we are through
Cheers, cheers, cheers of a crime
Please, please, don't ask me why
What's good for you, is good for me
I give to you pure ecstasy
Oh, gimme ecstasy
When you come tonight
Gimme ecstasy, baby, do it right
Make my body ache
And give to me all I can take
I can take
Gimme ecstasy
Let me fly away
Gimme ecstasy, everything's okay
Baby, can't you see
I want you to feel what I feel
What I feel
Gimme ecstasy, gimme ecstasy, gimme ecstasy
I want you to feel what I feel
What I feel
Hearts, hearts, hearts to be cool
I'm the mess and you really do
I will get your body till you feel the heat
Babe, I know what you really need
Dreams, dreams, dreams aren't true
Whatever we'll be, it's up to you
I really love your energy
And give to you pure ecstasy
[chorus]
Ahhh, ahhhh, ahhh, ahhh, oh gimme ecstasy
