Gimme gimme gimme your love  
Gimme gimme gimme your heart  
Gimme gimme gimme your passion baby  
Let your body take part

So let's go  
Gimme gimme gimme your love  
Baby heat me up  
Gimme gimme gimme your smile  
Oh want you  
Gimme gimme gimme your body babe and  
Stay with me for a while

I won't hold it back on you  
Come on come on - our dreams ( will ) come true  
I want you - so don't you deny  
That you you you - wanna fly  
Forever - we can make it tonight  
I I I - I will hold you tight  
A little bit is not enough  
Gimme gimme gimme your love

Oh baby  
Gimme gimme gimme your love  
Cos I need it so  
Gimme gimme gimme your heart  
Come close and  
Gimme gimme gimme your passion baby  
Let your body take part  
So let's go  
Gimme gimme gimme your love  
Baby heat me up  
Gimme gimme gimme your smile  
Oh want you  
Gimme gimme gimme your body babe and  
Stay with me for a while

Oh won't you  
Gimme gimme gimme your love  
Gimme gimme gimme your heart  
Oohh

All you do is call to me  
It's not so easy can't you see  
I want you - but I want you too much  
But I'm so wild - til we touch  
Oh baby - give me all you've got  
Come on let my mind get hot  
Baby make my engine start  
Gimme gimme gimme your heart

Come on  
Gimme gimme gimme your love  
Gimme gimme gimme your heart  
Oohh

Gimme gimme gimme your love  
Gimme gimme gimme your heart  
Gimme gimme gimme your passion baby  
Let your body take part
