"Give Me Delight"

Give me delight, do it right,
Find my point of pleasure.
Give me delight, just tonight
You can steal my treasure.
Give me delight, it's OK
Baby, when you hold me tight.

Give me delight tonight.

Dance, we feel the groove.
Baby, make my body move.
I say, we're gonna stay.
Only dreams can fly away.
I have made of stone
When I hear your sexy moan.
You are all I need.
Love and hearts will never cheat.
We can dance all night
Soul to soul and side by side.
Let the fever rise,
Baby, when you close your eyes.
So, it's hot desire, you will find delight tonight.

Give me delight,do it right,
Find my point of pleasure.
Give me delight, just tonight
You can steal my treasure.
Give me delight, it's O.K.,
Baby, when you hold me tight.
It's now or never...
Give me delight,do it right,
Find my point of pleasure.
Give me delight, just tonight
You can steal my treasure.
Give me delight, it's O.K.,
Baby, when you hold me tight.
Give me delight tonight...

Dance, I feel your touch.
Cause I miss you, oh, so much.
With you I give it all.
When the worlds of reason fall.

You can make me cry
It's a love, I can't deny
And your kiss so sweet
It's the only thing I need.
We can dance all night soul to soul
And side by side
Let the fever rise,
Baby, when you close your eyes.
So, it's hot desire, you will find delight tonight.

Give me delight tonight...
