Got to get it, got to get it, got to get it right now...
Got to get it, got to get it, got to get it right now...
(Rap:)
I'm on a trip straight to your soul
Fall into a deep deep hole
I wonder what I will find
When I leave it all behind
I want you, want you so bad
Wanting you just drives me mad
Together, we'll find a land
Where all broken hearts will land
*Got to get it, got to get it, got to get it right now
I wanna lie by your side now
Got to get it, got to get it, gotta gotta get it right now
I wanna go for the light now just with you
That's all I wanna do
Got to get it, got to get it, gotta gotta get it right now
(Rap:)
Wanna tumble into heat
Find exactly what I need
It's you, I'm lookin' for
Baby, don't you close the door
I tell you, I wanna belong,
Don't wanna lose what I just found
Stay cool, but nevermind,
Here's a promise I have signed
* repeat
Right now, right now, right now, right now
Got to get it, got to get it, got to get it right now
Right now, right now, right now, right now
Got to get it, got to get it, got to get it right now
Right now, right now, right now
Got to get it, got to get it, gotta gotta get it right now
Right now, right now, right now
* repeat
Got to get it, got to get it, gotta gotta get it right now
