I'm horny  
Can't you hear what I say  
I'm so horny  
And tonight - I swear - I'll be with you  
Baby everywhere I will kiss you  
And I'll touch you inside  
I'm horny  
Baby I'm horny

Oh yeah I know how you can feel  
When emotions turn the wheel  
I want you - gonna do it tonight  
Come to me - If you need satisfaction  
And action - I'm by your side  
And I wanna do it right  
Baby I'm you're sex attorney  
And I know you're horny

I'm horny  
Can't you hear what I say  
I'm so horny  
And tonight - I swear - I'll be with you  
Baby everywhere I will kiss you  
And I'll touch you inside  
I'm horny  
And I've got what you need  
Oh I'm horny  
You will feel the heat  
Like I told you  
You can strangle and fight  
I will hold you  
We will go for a ride  
I'm horny baby I'm horny

I'm horny baby I'm horny

Make me feel high - I'll tell you why  
You can whisper you can cry  
Forever - baby gimme your love  
Gimme more - I can't get enough  
I need it - oh believe me it's true  
I just need much more of you

I on't think you're corny  
When you say you're horny

I'm horny baby I'm horny  
I'm horny Ooooh

I'm horny baby I'm horny  
I'm horny
