Is that the way you are?
You do everything just for pleasure
You take every girl you get
And they say you're after each treasure
In the trap of your bed

And they say you're handsome but cruel babe
Take and use and throw away
And i wonder baby - just wonder
Is it true what they say

Is that the way you are?
And do you leave a scar of blue
In every aching heart
A heart that was in love with you
Is that the way you are?
Oh babe please say it isn't true
Cos i felt from the start
So very much attached to you
Is that the way you are

You take all that you think is worthy
And you always take control
And they say that there is no mercy
In your heart in your soul

You are proud of hearts that you're breaking
And you count every tear
And they tell me you're always faking
Is that true what i hear?

Is that the way you are?
And do you leave a scar of blue
In every aching heart
A heart that was in love with you
Is that the way you are?
Oh babe please say it isn't true
Cos i felt from the start
So very much attached to you
Is that the way you are

And do you leave a scar of blue

In every aching heart
A heart that was in love with you
Is that the way you are?

Is that the way you are?
And do you leave a scar of blue
In every aching heart
A heart that was in love with you
Is that the way you are?
Oh babe please say it isn't true
Cos i felt from the start
So very much attached to you
Is that the way you are
