Can you see me falling
Can you hear me calling you

Shadows of pale - pass by
You're ready to sail - and I
Will love you
Forever

You're tearing me down - but why
My daydreams are bound - to die
I'll miss you
Forever

CHORUS
Hear me queen of light
Help me through the night
And deep inside
Missing links are hurting
Queen of light
Tell me why
You hide
There behind the curtain

Can you see me falling
Can you hear me calling you
All that we had - were lies
We're ending with sad - goodbyes
The story
Is over

Playing it cool — I'll try
I'm breaking the rules - and I cry
I want you
Forever

CHORUS

Can you see me falling
Can you hear me calling you

CHORUS

can you see me falling
can you hear me calling you
