Oh it's an angel's night
Hold me tight, and I will blow your heart of delight
Cause it's an angel's night
Treat me right, and I will take you on a flight
Cause it's an angel's night

Be my angel girl
Lips so sweet, blonded girl
I need love tonight, take me on a magic ride
Be my angel babe
I know you're in really good shape
You got dreams to sell, but I'll take you down to hell

Oh it's an angel's night
Hold me tight, and I will blow your heart of delight
Cause it's an angel's night
Treat me right, and I will take you on a flight
Cause it's an angel's night
Hold me tight, and I will blow your heart of delight
Cause it's an angel's night
Treat me right, and I will take you on a flight
Cause it's an angel's night

Yeah, it's an angel's night
Ahhh, ahhh

Be my angel girl
You're my horse, and I'm your pearl
Livin' good be worse
Heaven is a place on earth
Be my angel babe
Skin to skin, can't escape
When you ring my bell
I will take you down to hell

Oh baby, close your eyes
I'll be in paradise
Out of the blue
Dreams will come true
Oh baby let us try
I'll take you to hide

I'll take you on a ride
Cause it's an angel's night
