Come on take me on a ride
You're like dynamite
I want you baby
Give me some action when we fly
But don't you - don't you
Don't you hurt me deep inside
Feel you're exploding baby
You're like dynamite
I want you - I want you

We - will take a ride
Make you see I'm dynamite
Your mind's exploding and your heart
Oh baby it will fall apart
No - one will care for us
You know it's really dangerous
Gonna make you see tonight
A flash of dynamite

Dadadeedumdum
Dadadeedumdumdum
Dadadeedumdumdum
You shoot me to the sky
Dadadeedumdum
Dadadeedumdumdum
Dadadeedumdumdum
It makes me wanna die

Look - in - to my eyes
Nothing we can't legalize
Baby when I blow it up
We will really feel on top
No - you - can't escape
Hope you'll be in real good shape
The fire of hell you'll get tonight
The crash of dynamite

Dadadeedumdum
Dadadeedumdumdum
Dadadeedumdumdum
You shoot me to the sky

Dadadeedumdum
Dadadeedumdumdum
Dadadeedumdumdum
It makes me wanna die
