If you gotta get it groovin'...

If you gotta get it groovin'...

Hey, hey, everything's OK
Don't go away, I want you to stay.
What can I do to make you mine?
My heart's on fire, gonna make you shine.
I want you, but you look so shy.
Everything's so cool, I'll tell you why.
We get it on. We get it started.
Baby, join the party.

If you gotta get it groovin'
To get my body movin'
When the heat is high.
Gotta get it groovin'.
My heart is cryin' so,
Take your chance tonight.
You gotta get it groovin'
To get my body movin'.

So, let's fight, let's fight for the light.
It's you and me on a Saturday night.
It's a gas on & on, tell me what is on.
Come on, let's do it through the night is gone.
Cause I know all your fantasies.
So, can't you see I am down on my knees.
We get it on. We get it started.
So, baby, join the party.

If you gotta get it groovin'
To get my body movin'
When the heat is high.
Gotta get it groovin'.
I feel my life's improvin' if you try.

You gotta get it groovin'
To get my body movin'
When the beat is on.
Gotta get it groovin'.

My heart is cryin' so.
Take your chance tonight.

You gotta get it groovin'
To get my body movin'.

Move me, move me.
Oh, move me.

Move me, move me.
Oh, move me...
