I'm horny
Can't you hear what I say
I'm so horny
And tonight - I swear - I'll be with you
Baby everywhere I will kiss you
And I'll touch you inside
I'm horny
Baby I'm horny

Oh yeah I know how you can feel
When emotions turn the wheel
I want you - gonna do it tonight
Come to me - If you need satisfaction
And action - I'm by your side
And I wanna do it right
Baby I'm you're sex attorney
And I know you're horny

I'm horny
Can't you hear what I say
I'm so horny
And tonight - I swear - I'll be with you
Baby everywhere I will kiss you
And I'll touch you inside
I'm horny
And I've got what you need
Oh I'm horny
You will feel the heat
Like I told you
You can stranggle and fight
I will hold you
We will go for a ride
I'm horny baby I'm horny

I'm horny baby I'm horny

Make me feel high - I'll tell you why
You can whisper you can cry
Forever - baby gimme your love
Gimme more - I can't get enough
I need it - oh believe me it's true

I just need much more of you
I on't think you're corny
When you say you're horny

I'm horny baby I'm horny
I'm horny Ooooh

I'm horny baby I'm horny
I'm horny
