Set me out of control, I want it now
Cause babe I fall for you anyhow
Just set me out of control, tonight's the night
I give you my soul, come on hold me tight
SEX ME !
Sex me, and set me free !

Yeah, yeah, life's unfair
Temptation's almost everywhere
Just look at me, and look at you
Let me in, tell me all, now we get through
Yeah, yeah do it now
It's not forbidden than allowed
I'm not your slave, I'm just your man
And babe I'm doing all I can !

Set me out of control, I want it now
Cause babe I fall for you anyhow
Just set me out of control tonight's the night
I give you my soul, come on hold me tight
Sex me, and set me free !
Sex me, and set me free !

Yeah, yeah, I'm gonna try
And all your needs I will satisfy
Your body's wild, your body's hot
I've got a lot, and I give you all I've got
Yeah, yeah, can't you feel
I'm not just kidding, it's for real
I'm not your prisoner, not your toy
And babe I bring you a lot of joy !
