Oh uh oh uh oh, it's sexual madness.
Oh uh oh uh oh, it makes me helpless.
Oh uh oh uh oh, I feel it, baby
Oh uh oh uh oh, I need it, baby, blue

When I touch your body, in the city of dreams.
The lights go down on the silver screens.
The black man says everything's so clear.
The trouble of tomorrow are so far from here.
Anyway, anyhow, baby, where have you been?
I miss you, wanna kiss you, do you know what I mean?
Anyway, anywhere I'm guilty of love.
So, take your chances, baby.

I miss you.

On the dance confuse like making love.
Enough is good, but it's not enough.
We're dancing on, in the shadows of hell
It gets real hot, when you ring my bell.
Is it good, is it bad, I don't know what it is.
The only thing I know is I long for your kiss
Light a fire in my heart, light a fire in my soul.
Take your chances, baby.

I love you. I miss you.
I touch you. I want you, uuuh...
