Sex on the phone
I'm so alone
Some sex on the phone
I need it so, okay
I'll do what you say, come on

Just make me fly
Just make me cry
Just make me come
Get me high

Baby, this is number one
And we'll have a lot of fun
Baby, this is number two
And I tell you what to do

Baby, this is number three
Feel my hand right on your knee
Baby, baby, just relax
Max will give you telephone sex

Sex on the phone
I'm so alone
Some sex on the phone
I need it so, okay
I'll do what you say, come on

And gimme sex on the phone
So I can feel
Your sex on the phone is really real
Your touch, I want it so much
I want sex on the phone

Just make me fly
Just make me cry
Just make me come
And get me high

Baby, this is number four
Don't just lie down on the floor
Baby, this is number five
Make your fingers come alive

Baby, this is number six
And I know you know the tricks
Don't want you to get perplexed
Just enjoy the telephone sex

Sex on the phone
I'm so alone
Some sex on the phone
I need it so, okay
I'll do what you say, come on

And gimme sex on the phone
So I can feel
Your sex on the phone is really real
Your touch, I want it so much
I want sex on the phone

Just make me fly
Just make me cry
Just make me come
And get me high

Just make me fly

Sex on the phone
I'm so alone
Some sex on the phone
I need it so, okay
I'll do what you say, come on

And gimme sex on the phone
So I can feel
Your sex on the phone is really real
Your touch, I want it so much
I want sex on the phone

Just make me fly
Just make me cry
Just make me come
And get me high

Sex on the phone
I'm so alone
Sex on the phone
I need it so, okay
I'll do what you say
